RE: Discontinuance of Telecommunications Services provided by East Tennessee Network, LLC

Dear XTN Customer:

We regret to inform you that East Tennessee Network, LLC ("XTN") will no longer be able to provide your telecommunications services in Tennessee. **Accordingly, XTN will discontinue its voice and data services, including any long distance and DSL Internet services that you may receive. Subject to the necessary state and federal regulatory approvals, the anticipated date for the discontinuance of XTN's service is January 10, 2008**

YOUR IMMEDIATE ACTION IS REQUIRED! YOU MUST SELECT A NEW LONG DISTANCE TELECOMMUNICATIONS SERVICE PROVIDER AS QUICKLY AS POSSIBLE BUT NO LATER THAN JANUARY 10, 2008, OR YOU MAY LOSE LONG DISTANCE TELECOMMUNICATIONS SERVICE. (NOTE THAT YOU WILL NOT LOSE YOUR LOCAL DIALTONE SERVICE, SINCE IT IS PROVIDED BY A CARRIER OTHER THAN XTN.

You must elect a new service provider as soon as possible to avoid any interruption of service. Please do not delay in arranging for a new service provider, as some providers may require several weeks to install or connect new services. To help avoid service disruption, please check carefully that all affected voice and data service types you currently have with XTN are moved to your new service provider. Once you have chosen and contacted your new provider, XTN will coordinate with the provider you have selected to assist in the transition of your service. Generally, you can find a list of most long distance telephone service providers in

your local telephone directory. Other types of telecommunications service providers may also be in your local telephone directory.

Please be aware that you are responsible for paying all bills rendered for services provided to you by XTN up to and including those provided during the transition. You may be subject to suspension or termination of your phone service in accordance with the Tennessee Regulatory Authority's rules if you fail to pay your telephone bills. Any deposits or credits associated with your account will be applied to your final bill, with any remaining balance returned to you. Any switchover fees (excluding non-recurring charges such as service connection charges, etc.) you incur to migrate your account to another telecommunications service provider will be reimbursed by XTN.
